Kingston University Residences Contract: Subcontractor/Supplier Assessment

As promised, a short note to enable me to sincerely express my gratitude for the outstanding effort and performance in the windows renovation and installation contract package as part of the major Kingston University Residences project at Seething Wells Halls of Residence, Portsmouth Rd, Kingston-upon-Thames KT6 5PJ.

As a Project Manager on this contract, I would like to confirm that we were very happy with your performance on this contract package to design, supply and replace more than 1000 windows in 21 blocks in full accordance with building regulations and other regulatory requirements. This was a substantial supply and install job which you delivered with real commitment and with superior workmanship from your team.

I would also like to indicate that you have accomplished a great job in the design, supply and installation of refurbishment windows in heritage buildings as well.

Once again, thank you for all your hard work and helping us to lead our team to success!
I look forward to working with you to achieve the same success in our future projects.

May I wish you all the best for the future,

Attila Matyi

Project Manager
